All molds © Copyrighted. All pieces finished using Kimple Stains and Kimple Brushes.

NEW TECHNIQUE USED: "FLOATING"

Using a wet shader & a dab of paint on a glazed tile, slide only the corner of the shader into the paint. Test the amount of paint you have on your brush on the tile before you shade your piece. The color should fade gradually to water when drawing your brush. It is necessary to use a lot of water.

WAGGLE WITCH

Mold Numbers

- #1419 Pumpkin for #1420
- #1420 Waggle Witch

Materials Needed:

Opaque Stains

- #900 White
