- #1010 Shimmering Black

Water Base Metallics

- #971 Gold
- #972 Silver

General Products

- #973 Antiquing Solvent
- #974 Brush-On Sparkle

Miscellaneous

- Porcelain Spray
- Diamond Dust

NOTE: Working with translucents is like using Mineral Spirit Antiques. Use an old soft brush to apply color. Brushes are cleaned with Solvent. Apply color as evenly as possible: wipe down with soft cloth or paper towel. A Q-tip can be used for small area. The longer a translucent color is left on piece, the stronger the color. Smears from one color to other areas should be cleaned off before spraying.

WOODLAND SANTA - Mold #173

Basecoat entire piece White. Paint face of Santa & fawn Warm Beige. Drybrush Bone on fawn's muzzle, ear edges, above & below eyes, stomach & tail. Stipple spots on back with Bone.
