NICHOLAS & WIZARD

Painting instructions:

Oil the head, hands & legs with a thin coat of lavender oil. Thin gloss pompadour with mineral oil. Drybrush this on the face, hands & legs with a stippler brush or white stain brush. Smooth with a china mop. Clean off eyebrows, mustache & beard with rubbing alcohol. Fire to 018.

Apply thin coat of media of your choice (oil if using oil base china paint or area media if using water base china paint) to the cheek area, forehead, nose, lips, mouth & back of hands. Using the tip of your china mop pick up a little of the pompadour color & apply sparingly to these areas to blush as desired. Using a #2 cats tongue rouge onto the lips. Thin down pompadour mixture with media & apply a thin coat to fingernails. Make them just slightly darker than the flesh area. Fire to 018.

Use a medium brown semi-matte china paint mixed with media to a toothpaste consistency for the shoes. Use a #6 white stain brush & brush on a coat in a drybrush manner using the tips of the bristles. This will leave no brush strokes. Fire to 018.

Mix lt. grey semi-matte china paint with media to a consistency a little thinner than the shoe mixture. It should brush on smoothly. Use a soft but firm #6 square shader brush. Apply to eyebrows, mustache, beard & hair. Wipe back these areas with a cotton cloth. Fire to 018.

Pouring & Cleaning instructions:

Pour in White Porcelain slip. When dry, clean greenware & replace any detail on seam line where needed. Fire to the cone required for your Porcelain slip. Polish the bisque.

WITCH

Painting instructions:

Oil head, hands & legs with a thin coat of lavender oil. Thin gloss pompadour with mineral oil. Drybrush this on the face, hands and legs with a stippler brush or new white stain brush. Smooth with a china mop. Keep skin color pale. Clean color from teeth with rubbing alcohol. Fire 018.

Using a flat soft brush, rouge green paint mixed with media of your choice on face, hands and fingernails as desired. Rouge mauve or lavender china paint around eyes and in crevices around mouth. Paint mouth with mauve china paint. Paint warts with brown china paint. With thinned black china paint do lashes & brows as desired. Fire to 018.

Brush black matte china paint on shoes. Wipe off shoestrings and shoe soles. Fire 018.

Apply second coat of black matte to shoes; wipe off shoestrings & shoe soles. Fire 018.
